Gabriola Co-op Radio

National Campus Community Radio Conference NCRC 2010

Gabriola Island, BC Monday, June 7—Friday, June 11th 2010

Meet and Greet on Sunday, June 6th.

Social weekend June 12-13th

Greetings Radiophiles,

Gabriola Radio Society (CKGI) will be hosting this year's National Campus Community Radio Conference (NCRC). This premium conference, taking place in a beautiful rural island setting, will be open to all NCRA members as well as anyone interested in expanding their radio skills and knowledge.

Harnessing its experience as host of the NCRC Regional Conference in B.C. in 2003, CKGI is creating a week-long "Camp Radio" atmosphere with a total 5-day immersion in all things radio, hosted by experienced radio professionals. Everyone will be there to work: there will be a series of advanced upper-level workshops which we fully expect to appeal to those just beginning their radio careers. This will be a unique experience for many veteran NCRC attendees and will quickly "bring up to speed" those new to the machinations of the NCRA/ANREC community.

But it won't be all work and no play. As well as workshop facilities and inexpensive on-site accommodation, the venue provides recreation opportunities that will encourage networking outside the workshop experience. Camp Miriam is an excellent waterfront facility providing on-site housing for 100 delegates, wireless access, a commercial kitchen and recreational facilities including a pool and soccer field. Off-site housing consists of local hotel and motel facilities, vacation rentals, b&b's, campgrounds and some limited local billeting with Island families. Breakfast and lunch are included in the conference cost.

For NCRC attendees who wish to stay on for an additional night and two days for a "social weekend" following the conference, accommodation can be provided at the same cost. Meals will not be provided but cooking facilities will be available. Entertainment will be arranged for the Saturday evening.

Costs

Conference costs to NCRA members will be \$175 for the week, \$35 for the day.

For on-site accommodation it will be \$25 per bed per night (bring your own bedding).

On-site tenting is \$20 per person per night.

For additional information please contact: stnmgr@ckgi.ca or visit our website CKGI.ca
