Canada, K1A 0N2

To whom it may concern,

I own suitable property at Stoney Ridge (access from Chernoff Drive), on Gabriola Island BC. I am willing to have the CBC and/or Gabriola Radio Society co-locate on a proposed broadcast tower on our property.

My support is, of course, subject to local zoning, development approvals, a CRTC license being in place and a successful agreement for the use or sale of the property.

Yours truly,

via email
